3 Members at Large and Native Ministry...

Each RPC shall elect its own officers chair to serve for a four- (4-) year term, and it is recommended that the chair be alternating clergy and laity from quadrennium to quadrennium. The election of officers should take place at the first meeting following the charge conferences which follow the regular meeting of the General Conference, and officers so elected shall serve until they are replaced by a subsequent election. ~~The recommended alternation is that the Kenai Peninsula and the Northern Regions should elect clergy chairs for the first two (2) years of any quadrennium and the Southeast and Southcentral Regions should elect clergy chairs for the last two (2) years of any quadrennium so as to maintain a proper balance of lay and clergy persons on the CCC.~~ The chair is the linking person for the region to the CCC and serves as a member of the CCC. If a vacancy occurs in

the seat of any officer of an RPC during the quadrennium, then that RPC shall elect a member to fill out the unexpired term.

MEETINGS . . . It is recommended that each RPC shall meet a minimum of three (3) times a year.

...

DUTIES AND RESPONSIBILITIES

1. Coordinate and implement Conference programming as determined by the CCC.
2. Explore ministries and programs that can be developed better at a regional level as opposed to a local church level.
3. Provide input to the CCC for the development of Conference-wide programs and priorities.
4. Where possible, provide the linkage of youth within the region.
5. Sharing models for ministry from local churches so that "what works" might be duplicated in other churches.
6. Explore "new ministries" within the region by working with the CCC and the New Ministries Committee.
7. Develop regional mission emphasis—such as VIM, local mission, Missionary support, etc.
8. Recommend to the CCC each year a missional priority for the AMC for consideration at the annual conference.

R6.17 LAY CANDIDACY FOR GENERAL & JURISDICTIONAL CONFERENCE

R6.1700 SUBMISSION: Any ~~laie~~ person eligible for election to be an AMC delegate to General or Jurisdictional Conference as provided in ¶33 and ¶34 of the United Methodist *Book of Discipline* may declare her(him)self to be a candidate. For an election year as provided in ¶502.4 of the *Book of Discipline* any candidate may submit to the AMC Secretary a Statement of Candidacy.

R6.1701 DUE DATE: The due date for submission of a Statement of Candidacy shall be no less than six (6) weeks prior to the convening of the Annual Meeting at which elections are to be held.

R6.1702 DISTRIBUTION: A Statement of Candidacy properly submitted and received on or before the due date will be printed in the Pre-Annual Meeting Handbook of the AMC.

R6.1703 FORMAT: A Statement of Candidacy shall include a statement of the candidate's qualifications. The Statement of Candidacy shall not exceed 500 words.

The Rules Committee recommends that all reference to "annual meeting" be changed to "annual conference."

The Rules Committee recommends that all references to the *Book of Discipline* be updated to conform to the 2004 edition as soon as it becomes available.

Preceding rule changes were adopted.

Conference Council on Finance and Administration (CCF&A) – Debra Lindsay-Hudgins

At last year's Annual Meeting, the members of the Alaska Missionary Conference elected Robert Meyers, Treasurer and Director of Administrative Services for the Oregon-Idaho Annual Conference, as Treasurer of the Alaska Missionary Conference. We also voted to move our Accounting and Treasurer's offices to Oregon-Idaho, in effect subcontracting them to do our financial transactions and record keeping. This change came as a result of some significant transitions in the AMC finance department. After many years of faithful service, Susan Bickman had resigned as Treasurer. And despite our urgings to stay in Alaska, Don Strait, interim Business Manager, insisted on returning to his home in Colorado. So in July 2004 Bob, along with Sandra Sittser, Assistant Treasurer and Nina Smith, Accounts Payable officer began to manage the AMC finances.

The new arrangement has provided a steep learning curve for all of us, both in Alaska and in Portland. We spent a lot of time saying, "This is the way we've always done that," and the folks in Oregon spent a lot of time explaining, "This is the way it needs to be done now." Gradually, after a couple of visits from Bob and with a heavy dependence upon conference calling, the bumps in the road began to smooth out. Bob and his staff have proven to be extremely knowledgeable in many areas, and were quick learners when it came to Advance Specials and the other peculiarities of dealing with the General Board of Global Ministries. We thank them for their patience and understanding during this first year together, and look forward to a continuing productive relationship.

Our thanks are also extended to all the congregations in the Conference that worked faithfully to fulfill your commitment to the work of The United Methodist Church by paying your apportionments. Unfortunately, giving was down overall, and we only received 89% of the amount that was apportioned. That number is almost 2% lower than 2003. In view of this general downward trend in apportionment receipts, the Council on Finance and Administration has looked carefully at the 2006 budget being presented during this Annual Meeting. We believe it is as lean as we can realistically make it. At the same time, we are working to develop additional sources of funding that will help relieve some of the financial burden that is currently weighing down our local congregations, large and small alike. We pray for your continuing support through the rest of 2005 and into 2006.

A word of appreciation is in order for the diligent work of Arlene Wood, who served as Chair of CCFA through June of 2004. She is wise and knowledgeable, pleasant and insightful. Her presence on CCFA is greatly missed.

Recommendations

1) Yearly requests for the funding from the Alaska Missionary Conference budget should, whenever possible, be submitted to the AMC-CFA prior to the AMC winter meetings. Requests for the 2007 budget shall be submitted to the CCFA no later than the conclusion of Winter Meetings in 2006.

2) The apportionment grade figure used to determine local church apportionments will be the average over a three-year period of one-third of the membership grade figure and two-thirds of the local church expense. The 2006 grade point figure will be based on the statistics recorded in the 2003, 2004, and 2005 Journals of the Alaska Missionary Conference.

a) The membership grade figure is the individual church full membership divided by the total Alaska Missionary Conference full membership at the end of the year.

b) The local expense grade figure is each church's local expenses divided by the total local expenses of all churches. Local church expenditures include clergy support (plus 25% of the pastor's salary as established by the Charge/Church Conference if the pastor is provided a parsonage) and all other church expenses excluding:

- i) Rent payment for church facilities
 - ii) Principle and interest paid on indebtedness
 - iii) Payments on building improvements
 - iv) Non-apportioned benevolences paid by the local church
- c) Pension apportionments will be based on the Administrative Unit recommendation
- 3) All churches are strongly encouraged to pay their apportionments in 10 equal installments beginning in January and ending in October.
- 4) Apportionments for new churches will be scheduled following their charter according to this formula:
- a) Year One: No apportionments
 - b) Year Two: 1/3 of regular apportionments
 - c) Year Three: 2/3 of regular apportionments
 - d) Year Four: Full apportionments
- 5) At the end of each fiscal year the account balances revert as follows:
- a) Connectional Clergy Support Fund to General Administration/Operations Reserves Fund
 - b) Pension Fund to Pension Reserve Fund
 - c) All other line items to General Operations Reserve Fund
- 6) The following fund balances do not revert at the end of the year.
- a) Office Equipment Replacement Fund/Conference Office Operations
 - b) Audit
 - c) Alaska Christian Conference Travel (up to \$500.00 unused annually)
 - d) Conference Treasurer Annual Meeting Travel
 - e) General Conference Delegate Expenses
 - f) Pension Subsidy Fund
- 7) All persons traveling for the Alaska Missionary Conference meetings of Committees, Commissions and for the Annual Meeting are expected to travel at the lowest possible fare, including advanced ticket purchases, partnership tickets and PFD tickets when available. While the use of the conference travel agent is available to all persons traveling on AMC business persons are encouraged to do their own research and purchasing of tickets in order to find the lowest possible fare, submitting the receipt to the conference office for reimbursement. Any fare submitted for reimbursement that is deemed by the Financial Assistant or Treasurer not to be the lowest possible fare will be reimbursed only to the point of the lowest possible fare.
- 8) The following have been designated as Alaska Missionary Conference Advance Specials:
- a) Alaska Children's Services
 - b) Alaska Pacific University
 - c) Birchwood Camp
 - d) Eagle River Camp
 - e) Nome Community Center
- All members of the Alaska Missionary Conference are strongly encouraged to bring to the attention of United Methodists in Alaska these opportunities for giving.
- 9) An Emergency Maintenance Loan Fund was established by action of the 1996 Annual Meeting of the AMC for loans to local churches for emergency assistance with property, under policies developed by the Board of Trustees under the Administrative Unit.

Conference Coordinating Council (CCC) Report – Dennis Holway

Purpose: To coordinate the work of the Regional Program Councils (RPC' s) and working units, supervising the implementation of the AMC priority strategies and guiding the AMC concerning ongoing strategic planning of program ministry. The CCC will also be the arena for addressing general church and conference themes and issues.

With Bishop Paup as Chair and Brenda Wingfield as secretary, the CCC has been on the move. Bishop Paup has instituted a time for leadership training and worship as part of each meeting. As directed by the CCC, the Bishop and conference staff have begun the process of determining an optional structure for the CCC. Chairs of our existing committees have been asked to provide their recommendations for restructuring and making their ministry area more effective and responsive to the AMC Mission statement.

- Mission within a Mission – The CCC recommends the “Mission With a Mission” policy be presented for a conference vote. (Please refer to page 37 of the Handbook.)
- Creation of a Conference Director of Lay Speaking - Referred by the South Central Regional Program Council (SCRPC). The SCRPC also suggested the following responsibilities: (Please refer to page 38 of the Handbook.)
- Proposed Hospitality Policy – A list of Hospitality Homes in the Anchorage area will be made available to lay and clergy, as well as conference resource persons who meet the following criteria: those traveling on AMC related matters; those with health related issues; those with emergency issues. A list of Hospitality Homes in the Anchorage area will be solicited by the Hospitality Coordinator and distributed at each Annual Conference. Host homes will be asked to identify such issues as: smoking, pets, number of beds available (if needed by a family), access to rooms (main floor, stairs).
- Recommendation of dates for four new Special Sundays:
 1. Endowment Sunday – (Managed by Administrative Unit) – 4th Sunday January.
Purpose – To promote the AMC Foundation and in particular The Society of the Northern Light Fund in honor of Bishop Ed Paup.
 2. Camping Sunday – (Managed by Outdoor Ministries) – 4th Sunday of February.
Purpose – To promote the three camp/retreat sites and their ministries.
 3. United Methodist Volunteers in Mission – (Managed by the VIM coordinator) – 2nd Sunday in March.
Purpose – To promote the VIM projects and opportunities both inside and outside the state of Alaska.
 4. Ministry Sunday – (Managed by Professional Ministries Unit) – 1st Sunday in June.
Purpose – To promote lay and ordained opportunities in ministry.
- HB101 – This Alaska legislative proposal was brought to the CCC with a request to support the legislation which called for a Class A felony related to global sex trafficking and sex tourism. Tom Dahl agreed to edit the proposal based on the discussion. Several members of the AMC have been following the bill and at least one conference member testified at a legislative hearing. *(This bill passed by the House; it will be before the AK Senate in 2006.)*
- The AMC Endowment Advisory Committee – The Administrative Unit established an advisory committee to develop a comprehensive plan of action.
- AMC Missional Priority recommendations: 2005 – 06, UMCOR, undesignated funds; 2006 – 07, First Samoan UMC of Anchorage.

Report supported.

The following was presented as a motion:

Task Force on the "Mission Within a Mission"

The Task Force recommends that CF&A and Admin. Unit approve and refer to the CCC for action at the 2005 Annual Conference of the Alaska Missionary Conference the creation of the "Mission Within a Mission" program that will allow temporary apportionment relief for settings in critical need.

Basics of the program:

- Setting(s) could be approved for increments of four years
- Apportionments will be negotiated with the setting on a case-by-case basis in consultation with the program cabinet on a yearly basis
- Each year the Annual Conference of the Alaska Missionary Conference will affirm/reaffirm the settings as "Missions Within a Mission" after receiving a recommendation from the CCC.
- The apportionments for the approved settings will be born by other apportioned churches in the conference.

Requirements of the approved settings:

- Submit a plan each year for review by the Administrative Unit, CFA and the program cabinet explaining the need for continued assistance and a plan to come off that assistance by the end of the four years.
- Covenant to pay in full the Health Care premium and Pension portion of their pastoral compensation each year.
- On-going consultation with the superintendent concerning the critical need of the setting for apportionment relief.
- Report from the mission to the AMC at its Annual Conference.

Variables considered in approving a particular site

- Current payment of Health Care and Pension premiums
- Isolation of the context
- Presence of other UM churches or other mainline churches in the area
- Limited population growth potential
- Economic constrictions/changes
- Diversity of the setting

Approved by CCF&A as a recommendation with the caveat that the concept of Mission Within a Mission be tried on only one church for the first year of the program.

Motion was supported and adopted in principle. (The actual mission will be lifted-up at Annual Conference 2006.)

Motion supported.

Gift Presentation

Bruce Case, chair of New Ministries Committee, presented a check in the amount of \$1000.00 to First Samoan UMC of Anchorage for use on their new church building.

Administrative Unit Report – Lonnie Brooks, John Campbell and Brenda Wingfield HealthFlex – Lonnie Brooks and Brenda Wingfield

It is proposed that the participant's share of premiums be \$115.00 per month for 2005, which will be waived if the participant chooses single coverage, whether or not the participant is eligible for family coverage.

Family coverage under HealthFlex is optional. If a participant with a dependent family who has access to coverage in another plan opts out of HealthFlex family coverage and for single coverage, the participant must attest to availability of an alternative employer sponsored group health insurance program with family coverage and provide the conference office with the name and address of the plan administrator. The waiver becomes effective when approved by the AMC superintendent. If waived, family coverage in HealthFlex may be reinstated at any time. If reinstatement occurs, payment of the premium for family coverage under HealthFlex will be shared by the pastor and the local church for the remainder of the calendar year, and will not result in a recalculation of the blended rate for the conference until January 1 of the next year.

Each local church will be billed one of two rates for each participant.

1. If an appointed cleric or clergy couple serving one charge has elected or must be provided single coverage, whether or not the cleric is eligible for family coverage, then the local church will be billed the blended rate for the AMC, less \$115 per month.
2. If an appointed cleric elects family coverage, the local church will be billed the blended rate, and, as provided above, the participant will pay \$115 per month of the premium, which may be deducted from the participant's salary by the church on a pretax basis.

The blended rate will be computed by dividing the estimated total HealthFlex premium obligation of the conference by the number of participants. This number will be properly adjusted to account for the waiver of the \$115 per month premium payment for those churches served by single participants or participants who choose single coverage.

It is the intent of the Administrative Unit to maintain the participant's co-pay at 20%, and the annual out of pocket limit at \$3,000.00 for a covered individual and \$6,000.00 for a covered

family. However, those rates cannot be fixed until the coverage options have been prepared and presented to the AMC by the General Board of Pension and Health Benefits.

Though final figures cannot be established until all appointments and participant elections have been made, for planning purposes it is estimated that the following rates will be chargeable to local churches:

1. Churches served by single clergy--\$1,460.00 per month
2. Churches served by clergy family--\$1,575.00 per month

Commission on Equitable Compensation – Lonnie Brooks and John Campbell

1. Minimum Salary for 2006 \$32,750
2. Minimum cash base compensation will include
 - a. Cash Salary
 - b. Social Security Allowance
 - c. Tax Sheltered Annuity Contributions
 - d. The distribution of Minimum Salary among the items in a-c above shall be determined between the pastor and the charge.
3. Additions to Minimum Salary
 - a. Experience Factor—add \$200 per service year from date of ordination as a Deacon
 - b. Area Cost of Living Adjustment—add the following amounts

i. Anchorage	0%
ii. Fairbanks	5%
iii. Juneau	5%
iv. Kenai Peninsula	5% (Includes Girdwood)
v. Ketchikan	5%
vi. Nome	35%
vii. Sitka	5%
viii. Unalaska	30%
ix. Wasilla	0%
x. Willow	5%
4. Other Considerations
 - a. A parsonage and full utilities or reasonable housing allowance shall be provided to pastors serving full-time appointments
 - b. A local transportation allowance shall be provided to meet actual pastoral expenses in each situation
 - c. A minimum of \$1,000 for Continuing Education expenses shall be provided
5. Equitable Compensation Fund for 2006 \$95,000
 - a. To receive support from the Equitable Compensation Fund a church must have approval from the AMC Superintendent and the Commission on Equitable Compensation.
 - b. No additions to the professional staff of a church receiving fund support may be made without the approval of the Commission and the Superintendent.
 - c. Support from the fund is not available to any church which provides a compensation package exceeding the minimum for its location without the approval of the Commission and the Superintendent.
 - d. The amount of support provided to any church from the fund will be negotiated among the charge, the Commission, and the Superintendent.
 - e. The Superintending Team will present annually to the Administrative Unit at its winter meeting in its capacity as the Commission on Equitable Compensation a plan developed by each charge in the AMC receiving

support from the Equitable Compensation Fund. The plan will address at least the following questions:

- i. Can this charge reasonably forecast a time when, to provide for its pastor, direct financial support from the AMC will not be required? If so, in what period of time can this be accomplished and what steps will be taken in order to bring this about?
- ii. If this charge cannot forecast a time when Equitable Compensation Fund support will not be required to maintain a full time pastor, are there other viable options for ministry in this place that will allow a self supporting ministry, such as, but not limited to, merger of UM churches (§ 2545), ecumenical shared ministry (§ 207-211), or circuit or cooperative parish relationship with other UM churches (§ 205.2)?
- iii. If the forecast for this charge is that it will, for the foreseeable future, require support from the Equitable Compensation Fund to maintain a full time pastor, and no cooperative relationship is possible that will help, and a state of permanent financial dependency on the AMC is necessary and desirable, then the special circumstances of the charge that create this need and prevent financial independence shall be described in the plan.

Board of Pensions Report – Lonnie Brooks and Brenda Wingfield

1. Salary, for purposes of pension computation, shall be the sum of the following:
 - a. Cash salary, including Social Security allowance.
 - b. Housing allowance, or when parsonage is provided, 25% of the cash salary
 - c. Tax deferred annuity contribution paid by the salary paying unit
2. The Ministerial Pension Program (MPP) contribution rate for 2006 shall be 12% of the Denominational Average Compensation (DAC) or of the contribution base of each cleric under episcopal appointment in the AMC, full or part time, ordained or local pastor, whichever is less.
3. The Comprehensive Protection Program (CPP) contribution rate for 2006 shall be 4.4% of the contribution base of each full time cleric. For ordained clerics working less than full time, the contribution rate for 2006 shall be 3.4% of the Denominational Average Compensation (DAC).
4. Part time local pastors are not covered under CPP.
5. MPP and CPP shall be paid by the AMC from a fund established according to the formula in item 11 herein following which shall be apportioned to the churches of the AMC as recommended by the Conference Council on Finance and Administration and approved by the AMC.
6. All ordained clergy under episcopal appointment within the AMC and eligible for the AMC pension program shall be covered by the CPP, including those receiving less than equitable compensation.
7. An ordained cleric in an appointment beyond the local church is eligible to participate in the MPP/CPP plans. A cleric in a charge, institution, or agency who is unable to arrange participation directly with the General Board of Pension and Health Benefits may be covered through the AMC, provided the salary paying unit makes contributions to cover the actual cost of MPP/CPP for the individual.
8. Deacons, diaconal ministers, and other laics serving churches and related institutions within the Alaska Missionary Conference who are eligible to participate in the pension program of The United Methodist Church may be covered through the AMC, provided the salary paying unit makes contributions to cover the actual cost of MPP/CPP for the individual.

9. The Past Service Pension Rate (PSPR) for 2006 shall be \$530.00 per service year. It is the intention of the board that the PSPR be no less than 0.9% of the Conference Average Compensation (CAC).
10. For pension recipients, the AMC may designate up to 100% of the pension payments to be allocated as housing allowance by the individual cleric. The amount may be excludable from income for federal income tax purposes.
11. For 2006 the following procedure will apply:
 - a. 50% of the total amount of the estimated pension obligation of the pastors in charge of local churches and 100% of the obligation for the superintendent of AMC will be apportioned to the churches of the conference served by UM clerics.
 - b. If only one UM cleric is appointed to a charge, then each charge to which one UM cleric is appointed shall be responsible to remit payments to the AMC as it is billed by the AMC Treasurer for 50% of amount of the pension obligation of the charge.
 - c. When more than one UM cleric is appointed to a charge, then each charge to which additional UM clerics are appointed shall be responsible to remit payments to the AMC as it is billed by the AMC Treasurer for the full amount of the pension obligation of the charge for each additional UM cleric.
 - d. Since GBPHB will not accept pension contributions from the AMC for retired UM clerics, for those churches to which retired UM clerics are appointed, the church will remit to GBPHB the full amount of the pension obligation for the appointed cleric. If that payment amount is less than the total amount that would be paid by the church to the AMC for a cleric who had not retired, then the church will be billed by the AMC for the difference between the two amounts. If that payment amount is more than the total amount that would be paid by the church to the AMC for a cleric who had not retired, then the church will be reimbursed by the AMC from the pension reserves account for the amount of the difference.
 - e. Churches of the AMC to which a UM cleric is not appointed will not be billed or apportioned for pensions.
 - f. For union churches of the AMC to which a UM cleric is appointed as pastor in charge, the pension grade figure will be doubled, since for those churches the statistics on which apportionments are based are reported at half the actual figures.
12. Appointment to a fellowship, as opposed to an organized church, will have no effect on eligibility of an appointee for the accrual of pension benefits as herein provided.

Emergency Maintenance Loan Fund – Lonnie Brooks

A fund called the Emergency Maintenance Loan Fund (EMLF) was created by the Alaska Missionary Conference in 1996. Responsibility for administration of the fund was given to the Administrative Unit. The following guidelines were established by the AMC in 1998 for administration and operation of the EMLF.

The purpose of the EMLF is to allow the AMC to receive title on property now held by the GBGM, without being unprepared for emergencies related to those properties. The EMLF would be made available to assist churches during times of extreme crisis.

The EMLF will be available for loans for emergency maintenance of United Methodist churches and institutions in the Alaska Missionary Conference. A loan may be obtained by contacting the Chairperson of the Administrative Unit or the Conference Superintendent. Approval by at least three members of the Administrative Unit is required before the loan can be provided.

The amount of any loan cannot exceed \$30,000. The terms of any loan will be as follows:

- a. Loans paid in full within one year will be interest-free.
- b. Loans extending beyond one year will be charged interest at 1/2 point under prime.
- c. In no case shall a loan extend beyond five years.

Alaska Missionary Conference Foundation – John Campbell

The foundation has been in transition this past year with several significant changes. At Annual Conference 2004 we established an Endowment Fund in honor of Ed and Carol Paup in anticipation of their move from the Alaska Missionary Conference. Nearly \$10,000 was pledged to the endowment over a 3-year period. Fortunately as Ed and Carol moved they took the Alaska Missionary Conference with them. We will continue to raise money for this endowment for ministry with children in Alaska with a goal of \$50,000 over the next 5 years.

Another change for the Foundation this year is that the Administrative Unit approved having the Pacific Northwest Conference Foundation manage the funds for the Alaska Missionary Conference Foundation. The Pacific Northwest Conference Foundation has a solid history of responsible investments and this will eliminate any need for Alaska staff members to manage our funds. The Oregon-Idaho Annual Conference Foundation has entered into a similar relationship with the Pacific Northwest Conference Foundation.

Finally the Alaska Missionary Conference Foundation has established a Foundation Advisory Committee that will give guidance to the development and expansion of the Foundation. John Campbell, Tom Packer, Nora Fredrick, Jackie Miller, Dennis Holway and Nona Howard have agreed to make up the initial Advisory Committee. The Advisory Committee has met and is working on a strategic plan.

Motion for Additional Rule Change

Loren Stanton, chair of Southeast Regional Program Council, submitted the following motion:

I move we add a sentence to the end of the first paragraph of R5.0100. "Between sessions of the Annual Conference the CCC shall have authority to make changes in these assignments to optimize our connections to the General church."

Motion supported.

New Ministries Report – Bruce Case

In 2004, the New Ministries Committee allocated new ministry funds to each region. The goal was to extend the search for new and emerging ministries to the regional level, and to help our conference work more as one team and less like 27 competing churches. Two regions received approval for these grants to date: the Kenai region qualified for a \$1,800 grant to train its pastors in conflict management. The Southeast Region Program Council's request for \$1,600 towards youth events was approved. The committee also approved \$500 towards a faith-based group home model for youth in Homer.

The committee has planned a Volunteers in Mission Workshop that will take place on May 27th, from 9:30-11:00, at St. John's UMC. All laity and clergy of the conference are invited to attend – there is no charge. The committee strongly believes that the AMC has a golden opportunity to strengthen its mission projects, both on the receiving and giving end, through the Volunteer's in Mission Program.

19 persons attended the VIM Workshop on Friday, May 27, 2005.

Report adopted.

Professional Ministries Unit (PMU) – Jim Doeppen

Last year the Professional Ministries Unit (PMU) reported that we had "established a relationship with the Oregon/Idaho Annual Conference" that would allow us to operate as a District Committee on Ordination for their conference. This relationship still holds. We are now working on a similar relationship with the Pacific Northwest Conference, with whom we share our Bishop. It is of vital importance to the Alaska Missionary Conference that we care for the ordination process—from calling, to exploration, to mentoring, to candidacy, to ordination, or certification, or commissioning.

The PMU is presently working with potential and current candidates for ministry in the Alaska Missionary Conference and will continue working with them as they go through the process.

The PMU is also responsible for Local Pastors as Local Pastors are members of the conference in which they serve. Therefore, annually, we interview and make recommendations on all persons seeking to serve in the AMC as a local pastor. This is a matter of accountability and support for our conference and for the local pastors who serve here.

This past year we have attempted to more fully embrace our role in supporting our superintendent, which will be described below. We have continued in our leadership of the Professional Church Worker's Retreat and New Clergy Orientation. And we continue exploring what it means to care for the clergy in the Alaska Missionary Conference—even having a "Sheepdog" (our conference person in charge of the clergy orders) attend our meetings as a constant reminder of our need to support one another in ministry.

Deacon/Diaconal/Certification Concerns – Rose McLean

Brenda Wingfield is a deacon in full connection serving in the Conference office as administrative assistant with a secondary appointment at Turnagain UMC; Rose McLean is a Diaconal Minister serving St. John UMC and is also a certified Christian Educator. Randy McCurdy who was certified in youth ministry transferred to the Oklahoma conference in April '04.

Ministerial Education Fund – Daniel Wanders

The Ministerial Education Fund has provided \$3200 (as of April 5, 2005) since 2004 Annual Conference meeting for a wide variety of educational opportunities including

personal improvement, professional enrichment, special ministry training, educational mission trip, and programs to strengthen our local churches and the Alaska Missionary Conference.

The Ministerial Education Fund (MEF) provides up to \$250 per year for deacons, elders, local pastors, and others who are appointed or certified. These fund are obviously intended only as a supplement to other sources of funding. The MEF is a way for the Alaska Missionary Conference to support the education, training, and enrichment of our professionals.

PMU might ponder possible reasons for all of the applications coming from Anchorage and very near areas around Anchorage. There were no applications from anyone more than fifty miles from Anchorage.

Superintendency Committee – Rose McLean

The superintendency committee meets regularly about six times a year with Rachel to provide support and a sounding board. All members of PMU who are available for these meetings, which are in the Anchorage area, are a part of the committee.

Report adopted.

Prayer for Klava

Conference attendees moved to the sanctuary and surrounded Klava Makarova in prayer. Klava, whose home is in Russia, is in Anchorage for medical treatment that she could not receive in her home area of Russia.

The Conference recessed for an afternoon break.

Announcement

Bishop Edward Paup announced that Fall Meetings 2006 will gather in Nome, AK.

Native Ministries Report – Kay Shock

In accordance with the Book of Discipline, the Alaska Missionary Conference provides a committee on Native American ministry. It is the responsibility of this committee to determine the distribution of the Native American Ministries Sunday offering, coordinate the promotion of Native American Ministries Sunday and monitor Native American ministries within the annual conference. (Book of Discipline, ¶ 652)

Native American Ministries Sunday recognizes and supports the contributions of Native American persons to the church and society. The observance, approved by the 1988 General Conference, is one of six special church wide Sunday offerings to be celebrated in each of the 35,986 United Methodist churches in the United States. Fifty percent of the offering remains in the annual conference to develop and strengthen local Native American ministries. The funds are then distributed equally between the United Methodist Board of Higher Education and Ministry to provide scholarships for American Indians attending the church's schools of theology and the Native American Urban Initiative of the Board of Global Ministries.

The AMC Committee on Native Ministries uses these funds to provide support for various Native-related ministries in our conference, such as the Nome Community Center, Willow/Anvik/Grayling Ministry, Russian Far East and Chukotka-Native Ministry, to help provide scholarships and transportation for native children to go to summer camp, and other projects as identified.

To encourage each congregation in the AMC to observe Native American Ministries Sunday, and to promote Native Ministry within the AMC, our committee is anticipating production of a new color brochure on Native Ministries within the Alaska Missionary Conference in the coming year. We also plan to provide Alaska-Native specific worship resources to in the AMC for celebrating Native Ministries Sunday in 2006. In addition, it is our goal to continue to identify and support ministry to and with Native people in the AMC.

V. REPORTS TO THE CONFERENCE**A. Conference Coordinating Council – Dennis Holway**

See page 26 for report.

1. Kenai Peninsula Regional Program Council – Dale Kelley

At the Annual Conference 2004, the KRPC elected new officers: Dale Kelley, Chair; Sharon Brower, Vice-Chair; Troy Castimore, Secretary. The KRPC meets quarterly for lunch and meeting.

The six KRPC churches have continued to send packages of warm clothing, school supplies, and craft items to 19 families and 5 schools in the Chukotka Region of the Russian Far East. We sent several youth from our churches to the Birchwood Snow Camp and scholarship help was made available. There are plans underway for a youth work team event for Peninsula Youth to gather in Homer the end of April- early May for a work project at the Homer UMC.

The Hope Retreat Center remains a strong interest and discussion continues on how our Peninsula churches can participate in both maintenance and improvements to the facility. Help with the replacement of windows is under consideration and will be coordinated with the Hope Retreat Board and potential VIM Teams for the summer of 2005.

A Conflict Resolution Skills Training event was held in March for KRPC pastors and all 6 were able to attend. On April 1 & 2 a "Lay Speaker Training" event was held in Homer. Rev. Laura Skiba taught the Basic course with 11 people attending. Rev. Dale Kelley taught the Advanced Course on Storytelling, with 7 attending.

2. Northern Regional Program Council – Gayle Miller

Our 2004 retreat in April was held in the Wasilla area, which allowed us to have Rachel Lieder-Simeon visit to discuss various conference issues. Also, attending were Arlene Wood who got us up to date with the Russian Ministry and Walt Hayes who discussed the presentation of the Book of John scheduled for October in the Anchorage area and Fairbanks.

The school supplies that had been in storage in Fairbanks for 10 years were collected and mailed to Russia. When we met at Annual Meeting we had discussed this project and various ways to get the materials to Russia at low cost. We were expecting a very large amount of supplies but time had taken a toll on the paper products so ended up just mailing. Some of our budget was used for that effort and money was also sent to Arlene for her continued work.

The 2004 retreat was held the first weekend of April in Fairbanks where applications for the New Ministries grant were discussed and approved.

3. South Central Regional Program Council – Betty Burke

The SCRPC again got amazing mileage out of three meetings over the course of the year. We supported leadership of the Summer College Ministry and in September held the annual Lay School of Theology for 54 laity from around the state. An Advent Singspiration event brought us together to sing carols and hymns with special guests from the Alaska Children's Services Spiritual Life program. We attended the stunning "Gospel of John" presentations in large numbers and hosted 130 energetic youth at the Alaska Club for a lock-in. During Holy Week, several churches joined together for joint services and the region shared a Christmas services advertisement in our Anchorage newspaper. In March, about 50 met for Lay Leadership training with four excellent presentation choices in Stewardship, Children's Spirituality, Communications, and Staff Parish Relations. That same weekend, our confirmands were engaged in the annual Confirmation Retreat held at Birchwood Camp.

Throughout the year, we have continued learning about the ways we can support the ministry at Alaska Children's Services, this year's missional emphasis. For the National Training Event in Houston, we provided some of the many Alaska thank-you gifts to celebrate our connections within the larger church. We are accepting proposals for the region's New Ministry seed money award at this writing.

Looking ahead, we will again sponsor the Lay School of Theology September 16th and 17th to be held at Chugiak UMC. Joette Bassler and Bill Lawrence will provide the instruction.

B. Administrative Unit – Lonnie Brooks

For report, see pages 20, 29 – 33.

Church Location and Building – Lonnie Brooks

In keeping with ¶260.4 of the United Methodist *Book of Discipline*, the AMC Board of Church Location and Building makes the following recommendations:

1. The New Ministries Committee, in cooperation with the AMC Superintendent, shall carefully study the demographics, the history, the economics, and the missional needs of any area in which the organization of a new United Methodist local church is contemplated.
2. If the Superintendent considers it to be desirable to proceed, the Superintendent shall follow the provisions of ¶260 of the *Book of Discipline* and shall early in the process notify the Board of Church Location and Building of its interest in establishing the church.
3. In the case of an existing United Methodist fellowship, the Superintendent shall follow the same procedures, except that the New Ministries Committee shall have a role in the process only if invited to do so by the Superintendent.
4. It shall be considered to be normal not to hold a constituting church conference (¶260.7 through ¶260.9) until the number of people interested in becoming charter members of the new church reaches one hundred (100) (¶260.5).
5. In certain highly missional circumstances the requirement of a minimum of 100 charter members may be waived upon agreement between the Superintendent and the Board of Church Location and Building. The decision may be based upon criteria chosen by the parties, but the parties are encouraged to consider as relevant the potential for self supporting ministry, opportunities for cooperative parish ministries (¶206), the possibility of ecumenical shared ministries (¶207), especially with other churches who are members of Churches Uniting in Christ, and the benefits of circuit ministries (¶205.2).

C. Council on Finance and Administration – Debra Lindsay-Hudgins

D. Professional Ministry Unit – Jim Doeppen

For report, see page 34.

E. Superintendent/Lay Leader Report – Rachel Lieder Simeon & Dave Kobersmith

For report, see page 26.

F. Conference Council on Youth Ministries – Dan Lush

The CCYM met five times this past year with two of those meetings being statewide teleconferences. The fruits of those meetings:

1. A Conference-wide Youth Mystery Trip for July 2005
2. A Youth Village Mission Trip to Anvik in 2006

3. Construct a UM Youth Internet Chat Room
4. Planning an Up With Youth Leadership Conference

We are adding to our resource lists and email capabilities.

Officers are Cassie Wohlgemuth of St. John, president; other officers are Peter Stanton of Ketchikan; Sam Sua Jr. of Anchorage; Hali Barentine of Wasilla; Kimberly Saltmarsh of North Pole; and Joel Ribbens of Nikiski. In general, youth participation and interest is growing. Adult coordinators are Tony Ashworth, Meg Brainard, Susan Williams, and Pat Wise. This group leadership has made a difference this year.

Our goal is to provide more youth ministry especially to the smaller churches around our conference that have few contacts with other UM youth. With God's help we are getting closer to our goal.

G. Commission on Archives and History – Bea Shepard

Our annual meeting was held at the Archives in Douglas October 10 - 12, 2004.

Members present were Jim Campbell, Larry Hayden, Claudia Kelsey and Bea Shepard. Arlene Cavanaugh, of North Pole, who is now a consultant for the Commission, and Verda Carey, former member of the Commission, volunteered their time and travel expense to join us in preparing the Archives for the move to their new home. The meeting was mainly a working meeting - getting the archives boxed and ready for shipment. The actual shipping took place in November. A follow-up meeting of the Commission was held at the new home of the Archives, in Anchorage, during Winter Meetings, February 4-5.

The new home for the archives is a specially prepared room at the Conference Office at East Anchorage UMC. Working to unpack, sorting and setting up the Archives were Jim Campbell, Larry Hayden, Mike Cline and Bea Shepard. New chair of the Commission as of the Annual Conference in May will be Jim Campbell, who attended the training session for new conference chairs and officers held in Houston Texas in January.

The Alaska Missionary Conference Commission will be represented at the Western Jurisdiction Annual Meeting in Richland WA, April 28 -30, by Mike Cline and Larry Hayden. Persons wishing to obtain information from the archives should contact Larry Hayden, 3604 E. 18th Ave, Anchorage 99508 or hayden@alaska.com.

H. Native Ministry – Kay Shock

I. New Ministries – Bruce Case

For report, see page 34.

J. Outdoor Ministries – Vicki Horn

The Outdoor Ministries Committee (OMC) met under new leadership in 2004-5 to evaluate our purpose in the Alaska Missionary Conference. Specifically we determined the following as our tasks:

1. Pursue our relationship with Pacific Northwest conference
2. Publicity/communications about camping programs/Camping Sunday
3. Encourage and enable campers to participate in Snow Camp
4. Support and nurture camping ministries
5. Liaisons from specific camps to the committee
6. Sharing ideas, promoting camping & retreat ministries
7. Retreat ministries to appeal to adults who have not been a part of camping.

From that list of tasks we established our priorities:

1. Networking - exchange ideas and resources with each other, conference & local

churches, PNW, the Jurisdiction and General church.

2. Conference-Wide training for deans and congregations
3. Funding - primarily programmatic (resources/administrative/scholarship/travel)
4. Guidance - policy/guidelines for outdoor camps: a "how to do" list
5. Organization - ensure conference camp/retreat programs are organized; and provide program resources for camps/camping program

As a result, the OMC is researching the feasibility of an AMC camping website (link from Conference website), advocating a Conference Camping Sunday, asking all pastors to be involved in a camp or retreat each year, inviting the Regional Program Councils to designate an enthusiastic camping promoter, publishing a camping informational brochure and continuing to evaluate and refine our direction as we offer the life-changing, faith-rewarding and empowering nature of camping ministry to the Alaska Missionary Conference.

1. Birchwood Camp – Von Cawvey

The past few years at Birchwood have been focused on developing the Master Site Plan and prioritizing the various projects involved. The future will surely be characterized as one of expansion, both in facilities and programming. This time in between can best be described as one of transition. We need to make sure we have the right resources in place to ensure our success. I compare it to having picked out a vacation destination, but we now need to make sure the vehicle we have been driving the past umpteen years is ready for the journey. Does it just need a minor tune-up, or will it require a major over-haul, or something in between?

One of the major steps taken on preparing for this journey is the development of stronger Finance and Publicity committees through goal-specific recruitment of new members and chairpersons. We have also started working in a more focused way on board development. Classes have been taken both locally and at the National UMC Camp Leaders Conference in January on how to become a more effective board.

Board and committee members held a retreat in early January that gave us an opportunity to get to know each other better, bring new members up to speed, brainstorm on camp improvements, and plan out our first annual giving campaign. Expansion of our ministry dictates that staff and programming must grow and we're finding that our normal camp and guest fees are falling short of meeting expenses. Before we can look ahead to raising capital funds, we need to make sure our operating budget is solidly supported.

As we continue to work through this transition phase of our development, we ask for your prayers of love and support. Also, please remember to check out our website at www.birchwoodcamp.org. There, you will find the latest newsletter, information on camps and events, and how to volunteer or otherwise participate in our ministry.

2. Hope Retreat Center – Jackie Campbell

The Hope Retreat Center has become quite comfortable, and the board continues to make improvements. This year, more curtains were put up, the front lawn was filled and leveled so there are no more mud puddles, and screens were added to the bedroom windows. In summer 2005 a VIM team will be at the center for a week and will be doing more yard work and staining the deck.

Long-range plans are to put a sliding glass door from the dining area out on to the deck and new flooring in the kitchen and bath area.

Rentals have been good, so the center is self-supporting, and we try to work within its budget. Our nine-member board encourages everyone to book a stay at the retreat center and enjoy the rustic cottage and the quaintness of the village of Hope.

3. Eagle River Camp - Don Gotschall

Local volunteers and 2 Volunteers in Mission (VIM) teams from the lower 48 finished major projects this year, including the bathhouse winterization/upgrade, a new sewer line, and rebuilding one corner of the Lodge. Progress was made on a new outhouse and the newest cabin.

Freezing weather and power outages were common this winter. Much effort was required to keep the lodge plumbing from freezing. The bathhouse held heat well, and survived the longest outages without freezing.

The camp now meets DEC requirements for water, sewer and certified kitchen. Upgrades have increased rental activity and camp rentals occur weekends year round; and mid-week rentals, April through November. User groups include churches, other non-profits, Boy Scouts, Girl Scouts, schools, 12-step programs and families. This year our camp held the first Alaskan camp for Children of Incarcerated Parents.

United Methodist Program – Four scheduled camps:

- **Camp Get Ready –** An ecumenical gathering of 11 Juneau churches worked together to ready the camp for the season, while enjoying fellowship, good food and time together.
- **Discovery Camp-Join the Party! –** Our largest Elementary Camp ever hosted over 40 children and was a collaboration of a Kansas Team with volunteers from SE Methodist churches as well.
- **Camp Kelsey –** Group of teens went on a backpacking adventure from the road to the shore sharing learning, living and cooperating in a community.
- **Intergenerational camp –** Families enjoyed Christian fellowship and fun over a long weekend, primarily attended by Aldersgate Members

K. Peace with Justice – Jon B. Walters

Peace With Justice addresses the issues of human rights - political, economic and civil, in order to help United Methodists participate in establishing a global community that lives out God's shalom. Concerns are the world community, the world economy, development and trade policies and practices that seek to end hunger and poverty and issues of immigration; repentance for the sin of militarism, seeking forgiveness, and finding ways that people can respond to the victims of war and hatred.

Systemic structural economic practices contribute to the lack of health insurance for millions, build a huge national debt and impoverish more and more women and children. Tsunami response indicates our genuine heartfelt empathy for others.

More complex and difficult is our organized response to war and poverty. "I am setting a plumb line in the midst of my people." (Amos 7:7) These words remind us, that as people of faith, we have a Divine standard for our lives and our actions.

L. United Methodist Women – Patricia Wise

United Methodist Women of the Alaska Missionary Conference are a vital, active mission force in the local church, conference, and world. All the activities of the local church UMW unit meet the organization's purposes: becoming whole persons in Jesus Christ (study, dialogue, and practice spiritual disciplines); developing creative, supportive fellowship; and expanding the

concepts of mission through participation in the global ministries of the church. Each unit plans programs that "fit" the needs of its women to under gird mission outreach and to enjoy and support one another as they work together.

We plan for the 2005-2006 years to visit each local church to present UMW and encourage new ways to implement UMW among young people, "work-outside-the-home" moms, singles and home-bound.

Activities have included:

Encouraged awareness and practice of racial justice and presented a certificate of recognition to those who have given the "extra mile" to be inclusive and stand against racial abuses. We have recognized William Pele and Rev. Jim Campbell, both of Anchorage.

Sponsored a Mission Education Event in each region to study Cuban history and church ministry; prayer as a discipline; and the role of U.S. Public Education today. We studied the No Child Left Behind law. UMW will continue to visit and reach out to teachers and students in the public schools of Alaska and give school supplies to Alaska Title IX schools.

Continued use of the Prayer Calendar to remember missionaries from each division of the Board of Global Ministries and the Women's Division.

During 2004 Annual UMW Meeting, pledged \$1,012.00 to Alaska Children's Services and collected \$1,401.00 for Pledge to Missions.

Invited Diane Vogler, former UMW National Director, as guest presenter at Annual Meeting. Also invited Carol Comeau, Superintendent of Anchorage School District, and other staff of the district.

Notes of interest:

(a) Conference Officers will attend Western Jurisdictional Regional School of Missions in Nampa, Idaho in June.

(b) Chris Spencer, formerly an Alaskan UMW Conference President, was elected at WJ Quadrennial Meeting as director of Women's Division.

(c) Women's Division 2004 spending included \$18,500,000.00 to mission projects and additional funds for Deaconess, US-2, and community ministries.

M. Volunteers in Mission – Bonnie Campbell

We would all probably agree that Volunteers in Mission teams have made a tremendous difference in our lives here in Alaska. In fact, most of our churches have hosted a team or two, or even more, over the past few years. All the more reason that we should celebrate, on a special Sunday each year, the contributions that these teams have made to our conference. Not only is it a good idea, but also 2004 General Conference voted that all churches should do just that on "UMVIM AWARENESS SUNDAY". It's up to us whether we all celebrate VIM on the same Sunday or whether each church gets to make that choice. But either way, here are some suggestions as to how you might chose to do that: have an UMVIM luncheon, recognize team members who served or will yet serve in 2005, show a short video or power point presentation on a project or collect cell phones.

Are you interested in signing up to go on a mission trip either in the US or to another country? You can join up with a team from our conference or another conference – just check with me and I'll try to match you up. For example, St John is going to Zambia in the summer of '06 and Anchor Park is sending a medical mission to Nicaragua in November of this year and they are looking for medical-type people as well as Spanish interpreters. But whether you're going somewhere or whether you're receiving a team, make sure that the team has purchased UMVIM insurance. The new forms can be downloaded from the Western Jurisdiction website www.umvimwj.com.

In 2004 our Alaska churches hosted 31 teams. They did everything from lead Vacation Bible School to work at our UM camps to doing maintenance and construction on our buildings. People from outside the state start calling and emailing me in the summer about coming to Alaska the following year, so please get your requests to me as early as you can.

If you want to learn more about all this, consider coming to the pre-conference workshop on receiving and sending teams that will be offered 9:30 to 11:00 AM, May 27, 2005, at St. John UMC.

N. Alaska Children's Services – Kelli Williams

I report to you with a very grateful heart for the love and ministry we share through the Spiritual Life Department of Alaska Children's Services. THANK YOU for your support during this past year! It has been a true blessing to be chosen as the missional priority for this year and to visit so many of your congregations to share the ACS story. As many of you know, our Spiritual Life program at ACS relies almost exclusively on church and private donations. Thank you for your prayers, your financial and in-kind gifts and all the ways you've sent pieces of God's love to our students and staff.

It has been an amazing year of change at Alaska Children's Services. And yet, the need for healing in the wounded young people at ACS remains. Last July, Father Stephen resigned as our Spiritual Life Minister as his dream of pastoring his own church came true. We are still feeling the loss of his ministry not only because of the gifts he brought to ACS, but also because his position remains unfilled. It is a dream come true to have added the position of Music & Special Ministries Coordinator to the Spiritual Life Department, and yet a struggle that we've been unable to find the right person to fill this position. Please encourage anyone you think might be interested in these positions to apply. The positions are posted on our website at www.acs.ak.org. Both positions are part-time, 20 hours per week, with benefits.

A long-held dream came true when our new sweat lodge was dedicated on November 18, 2004. We give much thanks to the General Board of Global Ministries for their support of the project, as well as the love and labor of the mission team of the Second Christian Reform Church of Lynden, Washington. We also are so grateful for the generous guidance of Kenny Timberwolf Gardner and the dedication of Andy Hasenstaub.

It has been a year of diverse ministries, as we've been blessed to have many people visit our students through the Spiritual Life program. I thank you for the part you've played in those visits, and for your prayers, cards, gifts and financial contributions. I also give thanks for the hope that is at the center of the ministry we share.

Thank you again for the part you play in the growth of the spiritual lives of the young people we serve at ACS. Please include in your prayers that God will send us gifted people to fill the vacancies in our Spiritual Life Department, and know that you are blessed to be blessings.

O. Chukotka Native Christian Ministries – Lucy Barton and Dennis Holway

Those who have been part of the Chukotka Native Christian Ministry (CNCM) met this past February 11, 2005, to assess the past, present and future of this co-operative ministry.

THE PAST - The ministry began in 1991 when an ecumenical delegation visited the Russian Far East. Early on a four-fold purpose was established:

1. Assist in formation of an indigenous church among Native groups in the Russian Far East beginning with the Siberian Yupiks and Chukchis.
2. Present Jesus Christ for salvation, discipleship and nurturing.
3. Emphasize a Native ministry focus.

4. Avoid any semblance of competition with the Russian Orthodox Church.

Participating entities included: Alaska Moravian Church, Evangelical Covenant Church of Alaska, Evangelical Lutheran Church in America, Presbyterian Church (USA)- Yukon Presbytery, United Methodist Church - Alaska Missionary Conference and Wycliffe Bible Translators.

For many of the early years Jim Campbell coordinated the ministry. Since the mid 90's the relief and rehabilitation efforts began to be channeled through other efforts, which is currently incarnated in the efforts of the AMC Russian Ministry Committee.

THE PRESENT - David Dobler summarized the 2-11-05 meeting of CNCM leaders in these words:

- We recognize with thanksgiving that the initial mission of CNCM is accomplished
- We will maintain CNCM as an umbrella for communication and coordination
- Respond positively to the request from our Russian brothers and sisters for a conference or training event in Chukotka
- Explore partnering with the Nome radio station
- Invite Pastor Larissa to meet with us in Nome this coming June to discuss how we might offer training and continuing education in Russia
- Invite Pastor Larissa to become part of CNCM

THE FUTURE - Currently this ministry is under the informal leadership of the Rev. David Dobler, the Executive Presbyterian of the Presbytery of the Yukon. The denominational participants plan to meet as long as there seems to be mutual benefit in the fulfillment of the initial purposes.

P. Willow-Anvik-Grayling Church & Community Ministry – Fran Lynch
Children in the bush villages of Anvik and Grayling continue to have Christian Education experiences during the school year and 15 attended Birchwood Camp last summer. I average going out about 7 times each year since bad weather or personal needs can prohibit travel. This past year, I have been gone a lot and have had to spend more time taking care of personal and family needs. It was a blessing to see many folks in Willow and outside volunteers picked up the slack and helped make the ministry happen.

In Willow our food bank and outreach program of assistance with clothes, fuel, and household items, stays busy. We have seen an increased need to provide transportation to families this winter that did not have any means to get to town for shopping, doctor appointments, etc. We have seen a decrease in our children's programming such as Sunday School and UMYF, but an increase in one time programs for children such as Back to School Celebrations, VBS, and a Children's Christmas Craft Workshop. We were well blessed with funding at the end of the calendar year so that we started out 2005 with all our outstanding 2004 and 2003 bills paid. I continue to spend much time on fund raising in hopes that we can stay ahead of the game this year.

Q. Alaska IMPACT – Richard K. Heacock, Jr.

A project of the Alaska Christian Conference, which provided a startup grant in 1989 at its Biennial Assembly in Bethel, Alaska IMPACT is a 501(c)(4) interfaith educational corporation for Alaskans who care about justice, peace and creation. It sends out monthly background papers for its members. In its 16th year, Organizational Members supporting its work by contributing \$100 per year include: Alaska Missionary Conference of The United Methodist Church, Alaska Synod of the Evangelical Lutheran Church in America, Alaska Friends Conference, Chena Ridge Friends Meeting, and the Episcopal Diocese of Alaska.

Membership applications are available at 3012 Riverview Drive, Fairbanks, AK 99709-4735; (907) 474-0700; or email: akimpact@gei.net. Individual/Family memberships are \$20 per year.

R Russian Native Ministry Committee – Arlene Wood

The financial aid has continued for the work of Svetlana Tagiok in Anadyr and Valentina Yukak in Providenya. At this time the work in Anadyr is in question as Svetlana is not physically able to continue her work in the villages. It may still be possible for the villagers to get money through Svetlana for emergency situations. Valentina is still very active in Providenya. Her apartment is usually full of those from the villages and they all join in the knitting and sewing projects. We were able to send Vola many boxes of material and yarn this past fall. We have also been able to continue our financial Aid to The Doverie, an alcohol treatment and education facility.

I would like to thank the churches in the Alaska Missionary Conference for always being there to help when the requests are sent on to them. Warm clothing, boots, baby clothes, eyeglasses, band-aids and yarn are still the main requests.

Our financial support comes primarily from the churches that Della Waghiyi and Jim Campbell visited on their Mission Interpretation trips, the Moravian church and a few churches in the Conference.

Della and I attended the Russian Initiative Consultation of the United Methodist Church in November and we learned what our church is doing in other parts of Russia. Many of the pastors of the Russian churches were in attendance; each of these churches has a supporting church in the United States.

A big "Thank You" to John Waghiyi in Savoonga and Nancy Mendenhall in Nome - without them a big part of our work would be impossible.

S. Disaster Preparedness – Steve Eldred

As we continue developing a comprehensive plan for a United Methodist response to disasters in Alaska, we have many resources available. Perhaps one of the best ways to prepare for a disaster response is to be connected with other responders and develop relationships that can be crucial when a disaster occurs. We are connected in a couple of ways with other agencies who are involved in disaster response: AKVOAD (Alaska Volunteer Organizations Active in Disasters) is a statewide coalition of agencies including Adventist Community Services, American Red Cross, Catholic Charities, Christian Reformed World Relief Committee, Church World Service Disaster Response, Episcopal Dioceses of Alaska, area food banks, Love, Inc., Lutheran Social Services, Mennonite Disaster Service, Nazarene Disaster Response, Presbyterian Church USA Disaster Response, The Salvation Army, Southern Baptist Convention, UMCOR (United Methodist Committee on Relief, Steve Eldred, representative), FEMA (Federal Emergency Management Agency), Division of Homeland Security & Emergency Management. Dennis Holway continues as a board member of Anchorage Interfaith and Interagency Unmet Needs Disaster Recovery Committee.

One resource we recommend to every community in Alaska is CERT training. CERT (Community Emergency Response Team) has been developed in part by FEMA and is made available through local Citizen Corps. Basic CERT training is 20 hours of classroom instruction, hands-on practice, and simulated drills in a variety of areas including: Disaster Preparedness at home; Fire Safety; Disaster Medical Operations; Search and Rescue; Team Organization; Disaster Psychology; and Terrorism. Learn more about CERT training online at www.citizen corps.gov, or contact Steve Eldred in Willow, 907-495-6638.

T. University Community Ministry, Anchorage – Robbie Robinson

The University Community Ministry (UCM) continues its witness for Christ on both the Alaska Pacific University and the University of Alaska Anchorage campuses. The ministry was established in January 1979 when Rev. David Fison became the first Campus Chaplain. Currently, Rev. Greg Kimura, the UCM Chaplain is also on the staff of APU as an instructor in religion and ethics in the Department of Liberal Studies and Arts.

Rev. Kimura has organized weekly worship, private devotions, Bible studies and fellowship get-togethers that are led by student members of the Campus Ministry Club. The student group serves dinner every Thursday night at the Brother Francis Shelter, has held two clothing drives and is co-sponsoring the 30-Hour Famine Program to raise consciousness and funds for world hunger. The students also volunteer at Providence Hospital in the NICU or in visiting and reading to patients in the Children's Hospital at Providence.

A Campus Ministry Club has been formed at UAA and the members are meeting weekly for Bible study, prayer and fellowship. Raising funds for the Darfur civil war refugees is one of the programs currently on the UAA club's agenda.

Rev. Kimura has had a very busy academic year teaching at APU, guest teaching classes on "Eastern Religions" at UAA, participating in forums on "Politics and Religion", pastoral counseling to both students and faculty at APU and many other "chaplain" duties. He flew to England in April to defend his doctorate thesis at Cambridge University. Following the doctorate award, he will become an Assistant Professor of Religion and Humanities at APU.

The University Community Ministry is grateful for the significant financial support of the Alaska Missionary Conference for these many years.

U. United Campus Ministry – David Moore

United Campus Ministry has enjoyed another good year. Some of the highlights of the year have included: our fall and spring retreats, our Thursday evening events called Xgames, and our long standing traditions of serving the community and caring for each other.

Our fall retreat held at Camp Bingle focused on a video called "After The Fall," the story of Craig Demartino who worked for Group Publications and was an avid rock climber. Craig's life was drastically changed by a near 100-foot fall. On our spring retreat we stayed in town at the Comfort Inn and our discussions focused on poverty. On Thursday evenings we have what we call Xgames, which stands for becoming an eXample for Christ, which may include book study, Bible study, prayer and fasting, or sharing meals together.

On our spring break Extravaganza was once again a huge hit as thirteen students joined us for different parts of the excursion. We stayed at St. John United Methodist Church in Anchorage (home church of our own Jessica and Megan Faulkner) and on Saturday worked at the Food Bank of Alaska; sang a special song at the St. John early service and then were treated to the telling of the Easter totem pole by David Fison; helped lead the music for St. John's Sunday Night Live service; and on Monday went skiing at Alyeska.

Service is something that is a vital to our ministry and we have served our community by sponsoring a family at Christmas through Big Brothers/Big Sisters, visiting the Pioneer Home to sing carols, working at the food banks, and providing rides, words of kindness, and notes of encouragement to each other.

Thank you for your continued support of our ministry. Your support makes it possible for us to make a difference here at UAF.

V. General Boards

General Board of Discipleship – J. Rose McLean

The General Board of Discipleship has two divisions: Upper Room Ministries and Discipleship Resources. I attended the organizing board meeting in October and also serve on the Curriculum Resources Committee. GBOD sponsored the Healthy Churches event in Houston in January that 14 persons from the AMC attended. I was appointed to serve from the GBOD on the Study of Ministry commission that was mandated by General Conference. That meeting was held just prior to the spring board meeting and will continue to meet throughout the quadrennium.

Conference Secretary of Global Ministries – Danita Nelson

If there were a musical theme underlying my first report as Conference Secretary of Global Ministries (CSGM), it would be "Getting to Know You." As I understand it, the CSGM position is a liaison between/among the local church, the conference and the General Board of Global Ministries.

During the past year I have gotten to know the Alaska Missionary Conference by attending Conference Coordinating Council meetings, and listening to the hopes and plans for this quadrennium. Specifically, I attended the New Ministries and Native Ministries committees, hoping to be able to share their activities later with both the general church and with local churches in the conference.

In order to get to know the national and international church better, I attended the Healthy Churches training event in Houston, TX in January.

In early April I also met with Heather Wilson, Western Jurisdiction Field Rep for the Advance, and with Noriko Lao, the Conference Secretary of Global Ministries for the Pacific Northwest Conference. As the AMC and PNW explore new relationships, we will look for possible connections to strengthen global ministries work in both conferences.

During this next year, my goal will be to create stronger communication connections with the local churches in the conference. Hopefully, I can assist churches in strengthening their ties with the broader church and its global outreach.

General Commission on Christian Unity and Interreligious Concerns – Lonnie Brooks

At the quadrennial meeting of the Western Jurisdictional Conference I was reelected to serve as a member of the board of directors of the General Commission on Christian Unity and Interreligious Concerns (GCCUIC). This commission is one of the thirteen general agencies of The UMC that takes care of the work of the Church at the global level when the General Conference is not in session. Like all the other agencies, the commission was created by General Conference and serves under the direction and at the will of the General Conference.

The commission has met one time since its election, and that meeting was primarily for purposes of organizing itself for the current quadrennium. At no time prior to this quadrennium has any woman bishop served as a member, and this time there are two. Bishop Ann Sherer of Nebraska was elected to be the President, and newly elected Bishop Minerva Carcaño will serve as a director. Including Bishop Carcaño, there are four of us from the Western Jurisdiction on the board, and I was elected to be the Secretary. Three of the four of us from the West were elected to be members of the Executive Committee.

In addition to my duties as Secretary, I am the Chair of the Committee on Legislation and Polity and will serve as a member of the Work Area on Interreligious Concerns. I expect interreligious concerns to be a subject of special attention this quadrennium as we study ways to cope with the meaning and a response to the events of September 11, 2001.

V. Western Jurisdiction (WJ) Committees

WJ Committee on the Episcopacy – J. Rose McLean

Two representatives (one lay and one clergy) from each of the eight conferences in the Western Jurisdiction meet each winter with the college of bishops. Rachel and I met with them in January in Scottsdale. The task of the committee is to help each bishop function as effectively as possible.

Western Jurisdictional Leadership Team – Rachel Lieder Simeon

As chair of the Western Jurisdictional Leadership Team (WJLT), we had our convening meeting in Phoenix this past January where we looked specifically at the Western Jurisdiction (WJ) vision statement (see below) and the tasks of the team. The purpose of the WJLT, as outlined by the WJ conference, is as follows:

- Provide leadership for the jurisdictional organizational system
- Continue to hold the WJ vision before the Jurisdiction
- Assess current realities of the WJ
- Design ways in which the WJ can move from current realities into the vision
- Hold each other accountable as leaders and Annual Conferences to continue to move into the vision on both conference and local church levels
- Designate and provide for the connectional relationship with the General Boards and agencies
- Align resources with the Emerging Vision.

With resources at a minimum, accomplishing these tasks is a daunting task in and of itself. However, we continue to move forward, finding ways to be in ministry together, celebrating the challenges and promises of living in the Western Jurisdiction of the United Methodist Church during this critical time in the life of our denomination. It is a pleasure to represent the AMC, along with Dennis Holway, Lonnie Brooks, Bishop Ed Paup and Bob Meyers.

Western Jurisdiction Vision Statement

A home for all God's people, gathered around a table of reconciliation and transformation: The Western Jurisdiction of the United Methodist Church is multicultural and inclusive, engaged in the life of its communities, with confident, effective lay and clergy leadership who, in diverse ministry settings, form disciples who live out the Good News of Jesus as global citizens.

Bishops Tuell and Paup, and Superintendent Lieder Simeon.

**ALASKA MISSIONARY CONFERENCE
XII. RULES OF ORDER**

71

DIVISION 1 . . . ORGANIZATION OF THE ALASKA MISSIONARY CONFERENCE

R1.00 . . . CONVENING: The Alaska Missionary Conference (AMC) shall convene its annual conference on the date set by the Presiding Bishop of the area as provided in the United Methodist Discipline (Disc., 2004, ¶603.2).

R1.05 . . . PLANNING COMMITTEE: The annual conference Planning Committee (AMPC) shall plan the annual conference. (See R5.1002 for the composition and duties of this committee.)

DIVISION 2 . . . MEMBERSHIP

R2.00 . . . CATEGORIES: The categories of clergy membership in the AMC shall be:

AFFILIATE: Ordained United Methodist clergy appointed by the Presiding Bishop of the area to serve United Methodist Churches and/or ecumenical agencies and ecumenical shared ministries within the boundaries of the AMC shall have affiliate status and full voting rights as provided in the *Book of Discipline*, ¶586.4.

COLLEGIAL: Ordained clergy of other denominations who meet disciplinary requirements (Disc., 2004, ¶346.2) and who are appointed by the Presiding Bishop of the area to serve in United Methodist Churches or ecumenical shared ministries or are hired by ecumenical agencies shall have the right of participation as defined in the *Book of Discipline*. Collegial means in association with the AMC.

R2.01 . . . COVENANT STATEMENT: The Alaska Missionary Conference at its 1996 annual conference established the right of full ministerial membership. As we enter this time of transition toward conference membership, it is important as persons, lay and clergy of the AMC in this conference, to affirm what it means to be the Alaska Missionary Conference of The United Methodist Church. As persons fully aware of the expanded opportunities for ministry in the Alaska Missionary Conference, and with the knowledge that because of that opportunity we will become a different body, some of whom will be full members and others who will be affiliate members of the Alaska Missionary Conference, we covenant together to

- pray for the well-being of each person and their ministry and pray for the guidance of the Holy Spirit in this emerging conference and its leaders
- recognize the unique nature of our conference and to work against any process or perception that would unnecessarily highlight the differentiation between the members and the affiliates and thus fragment our community.

- acknowledge and respect the theological, cultural, professional and gender diversity that we represent, by modeling inclusiveness at all levels, conscientiously respecting professional boundaries both in our personal lives and in our corporate life together and actively upholding and affirming each other's ministries.

- participate, to the best of our ability, in conference activities so that our connections with each other will be strengthened through genuine support and accountability.

- be assertive when we feel we have been wronged, stay in dialogue when disagreements arise, utilize the process set forth in our Discipline, recognize and adhere to the lines of authority expressed therein and strive to be fair and kind in our speech and our process
- actively welcome and encourage new members, both temporary and permanent, while respecting and listening to the insights and experience of our established members.

"Support without accountability promotes moral weakness; accountability without support is a form of cruelty." (2004 Discipline, ¶ 101: "General Rules and Social Principles")

We the people of God called United Methodist, in ministry in the Alaska Missionary Conference, grounded in the creative power of the living Word, and immersed in the grace of

God through Jesus the Christ, commit ourselves to this covenant. May we truly be to each other and to the world the body of Christ.

R2.03...SUPERINTENDENCY: If the presiding bishop appoints more than one person to superintend the work of the Church in the AMC, then there shall be formed a Superintending Team (Team). The Team shall consist of those persons appointed by the bishop to superintend the Church in the AMC. The Team shall form its own organization and shall choose for itself, under the supervision of the bishop, how it shall divide the work of superintending. However, each church in the AMC will receive clear and prompt information about which member of the Team is to be that church's primary contact among the Team members for advice and assistance as required.

The Team will choose for itself which member shall perform the superintending functions specified in these rules, and on any body of the AMC which requires membership of the AMC superintendent, any one or more members of the Team may represent the Team. However, if more than one Team member attends a meeting of such a body, then only one will be empowered with vote on those bodies on which the superintendent has a vote. In the interest of continuity and order the Team is encouraged to maintain consistent representation on each AMC body providing for membership of a superintendent.

R2.04...SUPERINTENDENT'S COMPENSATION: If one person is appointed to be the Superintendent of the AMC, then the Superintendent's salary will be established by the Professional Ministries Unit at 150% of the Conference Average Compensation (CAC) for the most recent year for which information is available from the General Board of Pension and Health Benefits. If a housing allowance is provided in lieu of a parsonage, then the housing allowance will be 25% of the salary. These amounts will be computed at such time as to be included in the budget recommendation the Council on Finance and Administration presents to the AMC for establishing the conference budget for the succeeding calendar year, and the Superintendent's compensation will not be changed at any other time.

R2.05 . . . INSTITUTION AND AGENCY MEMBERS: Institutions and agencies related to the AMC and/or the GBGM shall be fully franchised in the AMC and shall be allowed two (2) voting members (one lay person and one clergy), both of whom shall be members of The United Methodist Church in accordance with constitutional requirements (Disc., 2004, ¶586.5). Institutions and agencies currently related to the AMC are:

Each charge served by more than one clergy shall be entitled to as many lay members as there are clergy. Each congregation of a charge shall be entitled to lay representation, provided there are not more than two (2) lay members from each congregation.

In addition the following persons shall have the privilege of the floor without vote:

Superintendent

The AMC may authorize national workers, pastors of ecumenical parishes, official visitors of other denominations, and ordained United Methodist clergy who are not otherwise members of the AMC to be accorded the same privilege.

R2.25 . . . EQUAL MEMBERSHIP: In order to achieve equality of lay and clergy membership at the annual conference, the Presiding Bishop and AMC Superintendent may appoint a committee each year to select lay persons to equalize membership (Disc., 2004, ¶32).

DIVISION 3 . . . ATTENDANCE

R3.00 . . . ATTENDANCE: Clergy members, lay members, and missionaries are expected to attend the annual conference sessions on a full-time basis unless excused by the AMC superintendent.

ALASKA MISSIONARY CONFERENCE
XIII. QUALIFICATIONS AND GUIDELINES

89

**A. Qualifications for Advance Special Salary
Support/Covenant Relationships**

Those missionaries who qualify for salary support through the Advance shall:

1. Serve local churches with less than 200 members.
2. Serve local churches with budgets less than \$150,000 raised locally excluding debt retirement. (For locations which qualify for COLA by Equitable Salary standards, the maximum shall be \$150,000 plus the COLA.)
3. Serve local churches which are able to maintain a parsonage or housing allowance.
4. Receive a salary not more than 10% above the minimum cash base salary (before COLA and years of experience are added) established by the Equitable Compensation Guidelines set at the Annual Meeting. (Exceptions to this shall be the first five years of a new ministry and Native Ministries and crisis situations).
5. Be recommended by the Equitable Compensation Committee for approval by the Administrative Unit and the Conference Superintendent.

B. Guidelines for Parsonage Standards

Property Ownership: If a parsonage is provided, it should be owned by the local charge or a Board of Trustees of the Alaska Missionary Conference. Also, flexibility should be allowed so that a pastor and congregation can work out an arrangement whereby a housing allowance is provided in lieu of a parsonage.

The House: At least four bedrooms; a basement with exit where possible; house plan should be flexible to allow for differing size families; family room, at least two full bathrooms; adequate storage; large living room; adequate weather stripping and insulation; screens on windows that open; double garage, not necessarily heated; dining area suitable for family and entertaining; sit-down eating space in the kitchen; a wood stove would be a desirable feature. New parsonages should be handicap accessible.

Location: Preferable within walking distance of the church building, but not more than three miles away.

Furnishings: Household personal items should be provided by the parsonage family. Heavy furniture and major appliances in good working order should be provided by the church including: beds, tables, chairs, sofa, freezer, washer and dryer, refrigerator, dishwasher, disposal, chests and dressers, drapes, floor coverings, lawn mower where needed, fire extinguisher, smoke alarms. Painting (in and out), carpet deep cleaning, should be scheduled on a four-year basis or change of pastor.

Appliances and Furnishings Allowance: Each parsonage family shall have available to them \$1000 each appointive year to be used at the discretion of pastor and parsonage committee for appliances and furnishings as listed above. In the first year of appointment, this amount shall be available at the time of arrival of the parsonage family where possible. The Trustees shall keep a record of the date of purchase and repair of all appliances, including the heating system, and of all painting and decorating, inside and out. The Superintendent shall ask for the Parsonage Report at the annual Charge Conference meeting.

Garage and Grounds: If possible, a garage shall be provided with adequate lights and electrical outlets and sufficient space for gardening and lawn equipment, bicycles, etc. This should be provided with easy to operate door. Any damage to the parsonage or grounds caused by any household pet shall be repaired or replaced at the expense of the parsonage occupants. Excessive damage, beyond normal wear, to the parsonage caused by the parsonage family shall be repaired, replaced, or paid for by the pastor.

Maintenance Fund: A revolving fund of \$1000 shall be available for maintenance repairs and upkeep as authorized by the trustees. For most churches, this should be a trust account drawn on when needed, not necessarily budgeted in full every year.

Insurance: Replacement value of the parsonage should be the guide for insurance coverage. Insurance on the pastor's personal items should be provided by the pastor.

Parsonage Committee: The PPR Chair, the Trustee Chair, the Pastor and family shall meet at least once annually to review parsonage needs and existing conditions.

Utilities: Full cost of utilities are to be provided for each parsonage, when the pastor lives in the parsonage.

An Encouragement to All: We recognize that comfortable surroundings in the home contribute to the happiness, health, and effectiveness of the parsonage family and the pastor in their work for the whole church. We encourage that each parish will do its very best in providing such a home.

C. Guidelines for Dealing with the Abuse of Power and Authority of the Clergy Office in Areas Relating to Clergy Sexual Misconduct

(This document is not intended to supersede nor misconstrue the Discipline of the United Methodist Church or Alaska State Law, both of which do clearly supersede anything herein.) The pastoral office is a position of great trust and responsibility and can be a position of significant authority and power over others. We would like to believe that no ordained clergy person would violate the trust and power of the office for sexual gratification. Yet the experience of the church is that it does happen. Persons in pastoral roles may violate the trust given them in many ways, but these guidelines deal specifically with the abuse of the power of the pastoral office by those who engage in sexual misconduct, and in particular in those cases where there are persons who are, or perceive themselves to be, victims of this misconduct. It is recognized that clergy persons are also vulnerable human beings and can themselves be the victims in cases of sexual misconduct. In any case, the whole church must always be concerned for both the legal and spiritual care of the pastor. Still, history indicates that concern for those victimized by inappropriate clergy conduct has often been inadequate. The primary purpose of these guidelines is to provide justice and care for such persons.

For the purpose of this paper, clergy sexual misconduct shall be defined as "Unethical sexual activity, a form of sexual abuse by clergy persons." This includes sexual abuse of children and youth, affairs with counselees, infidelity, promiscuity (e.g. repeated sexual advances or actions), sexual harassment, and other inappropriate behavior. Such activity breaks the sacred trust inherent in our ordination. These guidelines are for clergy appointed to the Alaska Missionary Conference.

a. Theological Reflections

One of the on-going tasks of Christian community is to understand our life theologically. This is as true in matters of human sexuality, its potential for expressing love and commitment to God, the other person and oneself, and its potential for abuse, as anywhere else.

We affirm that:

1. God creates persons in the Divine image, male and female.
2. Women and men are equal in the eyes of God.
3. The human body is good, a special part of the divine creation. It is the temple in which the Holy Spirit dwells and a place where the Word is made flesh.
4. Human sexuality is an integral part of our humanity. While profoundly personal, it has social dimensions as well. Its physical, emotional, and spiritual expression in relation to others ought to be based on a loving commitment and accountability to God, the other person, and oneself.
5. God calls persons to wholeness through Jesus Christ and to participation in the Body of Christ, the community of faith whose central quality is redemptive love.

6. The whole church receives and accepts the call of God to embody and carry forth Christ's ministry in the world. Ordination originates in God's will and purpose for the church. There are persons within the church community whose gifts, graces, and promise of future usefulness are observable to the community, who respond to God's call and offer themselves in leadership as ordained ministers. (Par. 402, 1988 Discipline) In this role, persons are entrusted with responsibility to care for those they serve and not to misuse this role to the detriment of any.

7. Violation of the pastoral office by inappropriate sexual conduct is a sin against God the victim(s), oneself and the redemptive community.

This violation:

- causes potentially serious psychological, spiritual, and emotional harm to the victim(s);
- reveals the brokenness of the perpetrator;
- betrays Christ and the pastoral office in that it abuses the power and authority of ministry by changing it from healing and redemption to exploitation and gratification, and tarnishes the symbol of Christ as healer and Savior; and
- rends the local parish as the whole body of Christ in ways which require special efforts for healing the deep wounds.

8. Because of God's grace and forgiveness, healing can occur for the victim(s), the offender, and the community.

These affirmations which have grown out of our life together within the covenant community are also reflected in the following statements from the 1992 Discipline (Par. 431).

It is to be expected that ordained persons shall:

- Nurture and cultivate spiritual disciplines and patterns of holiness...
- Be committed to and engage in leading the ministry of the whole church in loving service to humankind...
- For the sake of the mission of Jesus Christ in the world and the most effective witness to the Christian gospel, and in consideration of his/her influence as a minister, be willing to make a complete dedication of himself/herself to the highest ideals of Christian life; and to this end, agree to exercise responsible self-control by personal habits conducive to bodily health, mental and emotional maturity, fidelity in marriage and celibacy in singleness social responsibility, and growth in grace and the knowledge and love of God.
- Be persons in whom the community can place trust and confidence...
- Be accountable to the United Methodist Church, accept its Discipline and authority, abide by the demands of the special relationship of its ordained ministers, and be faithful to their vows as ordained ministers of the church of God.

Any breach of professional ethics is a misuse of the trust which traditionally has been given to the office. Furthermore, sexual misconduct involving the misuse of the authority of the clerical office, often leaves the victim with the burden of guilt, anger, betrayal, and rejection. Often the victim bears the burden of proof before appropriate action can be taken. Any such sexual misconduct in the context of the clergy/lay relationship shall be seen as an offense by the clergy person who then bears the responsibility for victim restitution and faces disciplinary action. This is particularly significant in clergy/lay relationships because of the power dynamics involved.

Clergy persons involved in any form of sexual misconduct have breached their ordination vows. Christian, professional, and legal standards inform clergy behavior. For instance, professional standards of counseling prohibit any sexual contact with counselees. When a clergy person uses the influence of his/her role and engages in sexual misconduct, it is an irresponsible and unethical act which takes advantage of the vulnerability of another. Clergy have a responsibility not to take advantage of persons in this way and not to engage in sexual activity with them.

These guidelines refer to clergy sexual misconduct. In the event the alleged offender is the Superintendent, then "the Bishop" shall be substituted for "the Superintendent" in all such cases.

b. Procedures for Misconduct with Children and Youth

1. Sexual activity with children and youth is a chargeable offense under Para. 2623, Discipline. In the event an allegation of such activity is made against any person in an office listed in Para. 2623(1), Discipline, the person to whom the allegation is made shall immediately report the allegation to the appropriate public or police agency as required by law. Charges may be brought and an investigation and other appropriate action shall proceed according to Paragraphs 2622-2627, Discipline, without regard to any criminal charges that may be initiated by civil authorities.

2. Sexual activity with children and youth is a crime under state law. In the event a clergy person is arrested, charged by information, or indicted for a crime involving any sexual offense, that person shall also be charged under Para. 2623, Discipline, and appropriate action taken under Paragraphs 2622-2627, Discipline. If the criminal charges are dismissed or the person is found to be not guilty beyond a reasonable doubt of the criminal charge, the Superintendent shall continue the proceedings under Paragraphs 2622-2627, Discipline, and make a determination whether a preponderance of the evidence shows that, even though the person may not have been legally culpable, the level of impropriety is sufficient to constitute a chargeable offense under Par. 2623. If the person is found guilty of the criminal offense, then the Superintendent shall initiate the process of expulsion from the pastoral ministry.

c. Procedures for Misconduct with Adults

When sexual misconduct is alleged, it shall be brought to the attention of those in authority, and the following procedures shall be followed: (Par. 453 of the Discipline describes the grievance procedures.)

1. Allegations of sexual misconduct shall be made to the Superintendent in the form of a complaint. A complaint may be brought only by the person claiming to have been personally offended by the conduct, or by a person with first-hand knowledge of the conduct. Although a complaint may be brought verbally, the Superintendent may not respond to the complaint unless the complainant signs a document which clearly states the allegations which describe the offensive conduct. The Superintendent or any other person may assist the complainant in the preparation of the written complaint. If the complainant is unwilling to put the complaint in writing, the Superintendent shall inform the complainant that the verbal allegations will not be investigated and the grievances will not be redressed.

2. The complainant shall be encouraged to bring a support person to any meeting or hearing at any point in the process. Any meeting between the complainant and the alleged offender shall take place in a neutral location.

3. The Conference Superintendent shall promptly:

a). Meet again with the complainant in the presence of an ordained elder who is a member of the Professional Ministries Unit and/or the Bishop. At this meeting the complainant should be assured that the allegations are being taken very seriously by the Conference. The complainant shall be asked to verify the complaint with the words, "I declare under penalty of perjury that the allegations contained in this complaint are true."

b). Determine if there is probable cause to proceed with the investigation of the complaint. If the complainant refuses to put the allegations in writing or to sign or verify the complaint, the Superintendent may not respond to the complaint.

c). With the complainant's knowledge, meet in person with the respondent, i.e., the person to whom this procedure is being applied, provide the respondent with a copy of the complaint, and informally discuss the allegations with the respondent.

d). Meet formally with both parties (i.e., the complainant and the respondent), the Bishop of the Alaska Missionary Conference, and clergy member of the Professional Ministries Unit. Not less than 20 days prior to the date of this formal conference both parties shall be informed that they may have one person at the conference with them who has the right of advocacy, and that the conference will be recorded.

e). After the formal conference the Bishop, Superintendent, and clergy member of the Professional Ministries Unit shall confer, make a determination as to the truth of the allegations, and issue written findings as to their determination.

(1) If they find that the allegations are insubstantial (i.e., where the harm alleged is of little or no substance) or false, the respondent may choose to have the entire record of the proceeding expunged from his/her personnel record, or the respondent may choose an appropriate statement of the exoneration included in the record.

(2) If they find that there is probable cause to bring charges and convene a Committee on Investigation under Par. 2325 (1), (3), or (4), notice of the finding shall be provided to the chair of the Pastor Parish Relations Committee (PPRC) of the local church served by the respondent or other appropriate supervisor, the Bishop of the Respondent's home Annual Conference, and the Mission Personnel Resources Program Department of the General Board of Global Ministries.

4. In the AMC, responsibility shall be assumed by the following:

a.) Colleagues in the ministry:

(1.) Clergy colleagues hold a special covenant of mutual responsibility. When a pastor has knowledge of a colleague's sexual misconduct, the appropriate steps of intervention should be taken. This shall mean reporting alleged sexual misconduct to the Conference Superintendent. (Or in cases of alleged sexual misconduct against the Conference Superintendent, the Bishop.)

(2.) Where a colleague has been involved in sexual misconduct, and the case is being or has been resolved, the other members in the covenant must search for ways to and actively practice the reconciliation.

(3.) Cases of sexual misconduct will be kept in strictest confidentiality within the specifically designated group and persons charged with the responsibility for bringing justice and reconciliation. All clergy should actively prevent and discourage gossip, especially among clergy peers.

(4.) In cases where the situation has proceeded to Step 3.e.2 above, depending upon the seriousness of the complaint, the Bishop and Superintendent may choose to remove the accused clergy person from his/her ministerial duties. When a clergy person is removed from his/her ministerial duties due to sexual misconduct, a report shall be made by the Bishop or Conference Superintendent at the next clergy session to inform the clergy of the actions taken. In such cases, as colleagues in ministry, other clergy will covenant to honor this decision and refrain from inviting that person to perform ministerial duties in our churches and institutions.

(5.) The accused clergy person will have assigned to him/her a trained support person to be in ministry with them, and will receive regular informational contact with the Conference Superintendent.

b.) The Local Church or other Hiring Bodies:

(1.) Local Pastor Parish Committees will be informed of the policies dealing with clergy sexual misconduct.

(2.) Matters of clergy sexual misconduct must be dealt with in strictest confidentiality in local churches.

(3.) The PPRC with the Conference Superintendent (or in cases of alleged sexual misconduct against the Conference Superintendent, the Bishop) shall assist in the reconciliation process of the persons affected and help the victim(s) find healing within the context of church community.

(4.) The Conference Superintendent (or in cases of alleged sexual misconduct against the Conference Superintendent, the Bishop) shall help the PPRC define its role in responding to a spouse.

(5.) The PPRC may secure one of the lay observers from the PMU or another lay person to help find resources within the church and larger community for a spouse of the offending clergy person.

(6.) In cases where clergy sexual misconduct has been substantiated and persons remain active clergy in the AMC, full information of sexual misconduct and subsequent actions taken shall be kept in the clergy person's permanent record in the Conference Office. Such information shall be shared with present and future Pastor-Parish Relation Committees, and when clergy return to their home annual conferences, documentation of clergy sexual misconduct will be included in the files sent to the home conference. This material may be sent to the PPRCs of previous appointments at the discretion of the Bishop and the Superintendent.

(7.) Where sexual misconduct has become a public issue, the Conference Superintendent and the Professional Ministries Unit need to join with the PPRC to provide emotional, liturgical and institutional means of healing.

d. Concluding Statement

The procedures outlined in this position paper are limited to addressing inappropriate sexual conduct of those clergy persons whose actions have been reported. The best solution to the problems caused by clergy sexual misconduct is the self-discipline of each clergy person. Such self-discipline takes the Christian standards and ordination vows seriously.

Personal integrity and mature and professionally responsible conduct must be brought to all relationships by every clergy person in the Conference. When relational and sexual difficulties are present in a pastor's personal and/or professional life, counseling is appropriate and should be sought.

By the very nature of the disciplinary procedures outlined in this paper, the concept of a single "victim" is too limiting. When sexual misconduct occurs, there are many victims. The spouse and families of the persons who are involved in illicit sexual liaisons are victims. Congregations who must live with the interpersonal and the community impact of inappropriate sexual behavior are victims. The offender/victimizer is in one sense a "victim" of his or her own deeply troubled personality. Pastors who are not responsible for the misconduct find themselves living with the consequences arising from the misconduct of a brother or sister. When friends in the ministry are caught in the web of sexual misconduct, there is a tension between caring for a personal friend involved in questionable sexual liaisons and caring for the health and authenticity of the ordained ministry. It is possible to protect a friend, and thereby to perpetuate a relationship or pattern of behavior which is destructive to many others. Ultimately, the credibility and practice of the Christian faith have been compromised.

Not all of the victim(s) are included in the disciplinary and restorative procedure of the ordained ministry. Yet all are hurt when sexual misconduct has occurred. Those who take the connectional covenant seriously and who value the vows of ordination will assume responsibility for the whole church in the way they live with their sexuality. This paper intends to provide clear guidelines which will strengthen the covenant and ministry we share together.
